

COSHOCTON ON TIPTOES TO BOOST THE 'FRISCO BENEFIT

ALL IN SHAPE FOR BIG NIGHT AT THE THEATRE

Costumes Are Here, New Jokes Re-vamped And Tickets Going Fast---If You Are Public Spirited Boost It

Coshocton's benefit for the San Francisco sufferers promises to be a tremendous success. Everybody is talking about it and everybody is going. The cause is one that appeals to every Christian man and woman; the entertainment offered is one well worth the money without any such cause behind it. The two form an irresistible magnet.

Costumes Here.

The costumes for the minstrels arrived today from Cleveland; the Phi Sigma Shi boys, who have so generously given their services free, will have their rehearsal tonight. Word has been received from the three young men of Wooster university, who made so good before, that they will be glad to donate their services for the cause. Their tumbling act was a big bit at the former production.

Generous Firm.

The Meek Co. is generously printing the programs for the event without any cost. Everybody is turning in and helping out the good cause by donating their services or their work, or both.

Chairman Brooke, who is also president of the Business Men's association, says it will be one of the greatest successes Coshocton ever saw. The business men are

All Boosting It.

T. J. Hanley, another member of the committee, who is also president of the County Good Roads association, says the interest is wider than just in the confines of the city as everybody wants to help the cause and this is such an easy and attractive way to help.

Mayor Smith who is the moving power of the big benefit, is active at work and declares that the interest is wide spread.

The Imperial band on account of an engagement of a portion of its players at Warsaw, cannot play on the street that night but it is likely that they will play at the noon hour.

The Shepler-Newton orchestra, whose playing was such a distinctive hit at the former production, have donated their services and will be one of the important features. The orchestra has recently added a number of new catchy pieces to their big repertory. A performance without them would be like a performance of Hamlet without the Dane. The minstrels boys have made arrangements to have a

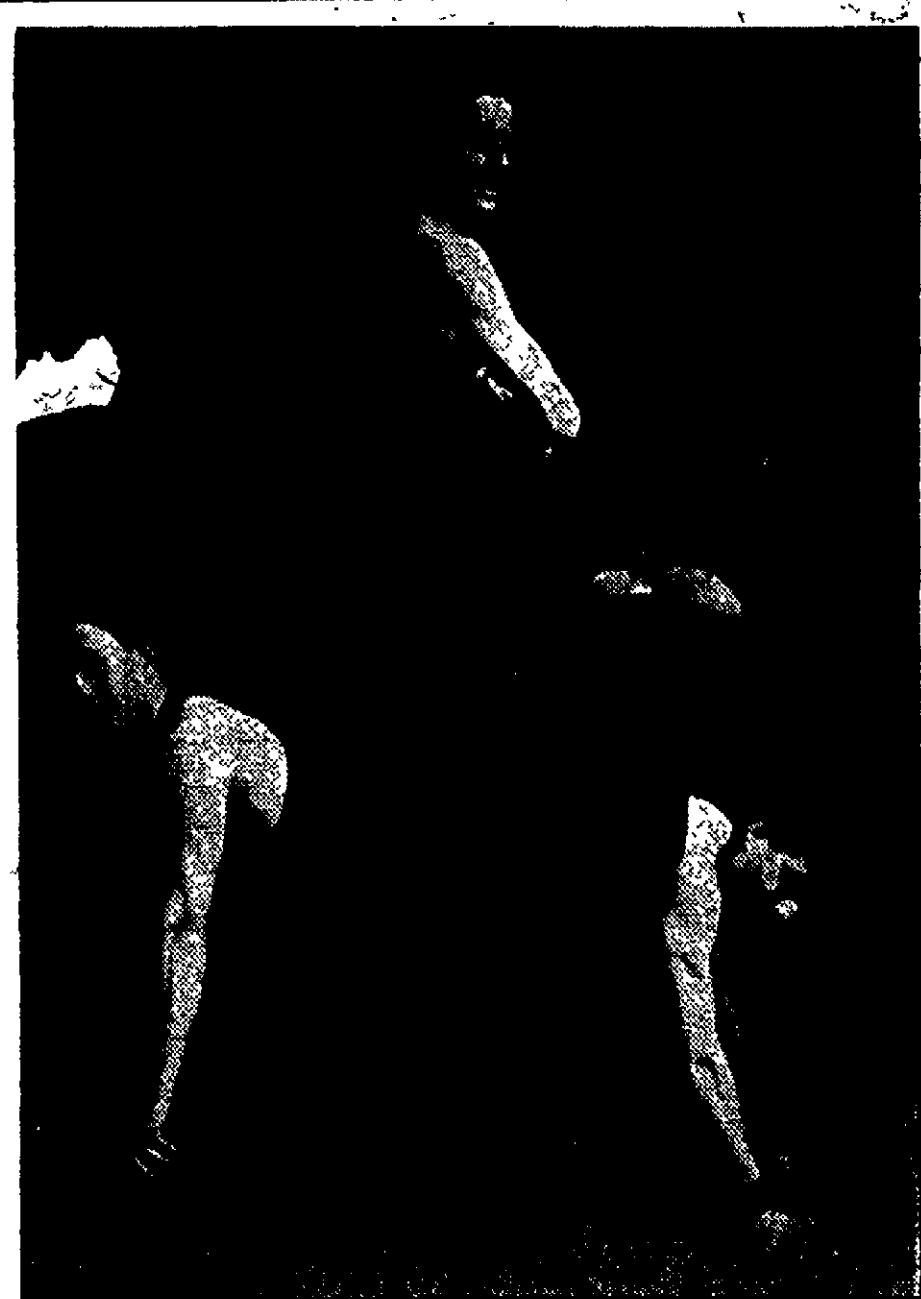

Flash Light Photograph taken of the circle just as the curtain goes up. There has been such a demand from their friends that they simply had to do this.

If you are public spirited—and you are—help the cause along by buying a ticket and using it. You will be well repaid for the fifty cents. Get in line.

Coshocton wants to be

Ahead of her Neighbors.

Zanesville has already sent upward of \$5000. Newark's contribution is more than \$2100 so far and Little Millsburg at a big meeting Sunday in the theatre subscribed \$400.

THE WOOSTER COLLEGIANS

These three clever young men who made such a hit before, have donated their services free to help the big Coshocton benefit for San Francisco at the theatre Friday night.

OHIO OPERATORS ARE ADAMANT

Stand Pat On Former Pledge To Survive Or Perish Together

Columbus, O., April 26.—At the largest attended meeting held since work in the mines was suspended, Ohio coal operators unanimously reaffirmed the stand which they took at Cleveland two weeks ago, and all pledged themselves not to sign the miners' scale on any condition, until another meeting is held. In other words, there will be no individual agreements. All or none will sign. A resolution to this effect was adopted, but no date for the next session was agreed upon, it being left entirely in the hands of the chairman, John H. Winder, president of the Sunday Creek company, to call the conference at his discretion.

Mitchell at Wilkesbarre.

Wilkesbarre, Pa., April 26.—President Mitchell and the members of the anthracite scale committee of the United Mine Workers went into secret session at the Central Labor Union hall. After a session lasting nearly two hours, the committee adjourned. It was decided to refer all matters at issue to the sub-scale committee, which will report to the full committee. President Mitchell refused to make any statement as to what occurred during the meeting.

Dr. Buxton to Move.

Dr. Buxton, who came to this city from Howard, O., several months ago expects to return to Howard about the middle of June. The doctor's son and son-in-law Mr. Jordan, who for some time conducted the Central grocery, will also remove to Howard.

BEN DICKERSON'S WIFE VISITS HIM

She Has Been Ill But Still Remains Firm In Faith

Mrs. Ben Dickerson was in the city Wednesday and paid two visits to her husband in the county jail. The wife appears to be confident of her husband's final acquittal of the charge of the murder of Mrs. Hughes notwithstanding how strong public sentiment is against him. She says the reason she has not been here before, since the verdict, was that she was ill at her home near Copreedale. It is learned that the 65 acres on which the Dickersons dwell belonged to the wife, and it is said that she and Levi Dickerson, the aged father of the man, have financed the trial.

Mrs. Dickerson's niece was with her on her visits to the jail.

Expense of Jury.

Another interesting item of the expense of the trial was filed in common pleas court today by Sheriff Browning. The sheriff was ordered by Judge Eason at the beginning of the trial to appoint two guards and to take the jury to his home and board and room them at a stipulated sum. The account as filed today is thus:

Boarding and lodging jurors, \$555.
Two guards, \$241.
Total, \$796.

One Woman Killed By Falling Chimney ---Refugees Alarmed

San Francisco, April 26.—Another earthquake shock was felt in this city and vicinity at 3:15 p. m. Wednesday. It lasted nearly a minute and caused terror to the people. One woman, Anna Whitaker, 25, was killed by a falling chimney while at work in her kitchen. Walls of burned buildings, which were standing Tuesday in weak condition were thrown down and frail buildings were considerably shaken up, but the damage done was slight. The shock was also felt in Oakland and Berkeley, but in these places it was very light and of brief duration.

Southern Pacific officials state that their estimate of the number of people who had left the city is 350,000. Of this number 10,000 or more have returned. Travel outward bound had been steadily falling off in volume.

Following the example set by nearly all the business interests of the old San Francisco, members of the Jesuit order announced today that they intend to remain and they will at once rebuild both St. Ignatius college and cathedral.

W. A. Simonson, vice president of the National bank of New York, which has the largest financial connections in this city of any of the eastern banking institutions, has come to San Francisco as the personal representative of his bank. He made a cheering announcement to the effect that the National City will do all in its power to aid in the rebuilding of San Francisco. The institution for which he speaks is one of the strongest banks in the United States, having behind it the Standard Oil interests.

Almost all the bakeries in the unburned districts have opened and are selling bread at the regular price of five cents a loaf. There is no danger of a meat famine. Representatives of the Western Meat company in South San Francisco reported to the relief committee that there are now in the yards 1,500 cattle, 3,000 sheep and 500 hogs. More than 200 cattle are being killed and dressed daily, and sheep and hogs are put under the knife as soon as they arrive on the cars. The full quota of employees is at work.

With unwavering faith in the "Image of Heaven," twenty Chinamen gathered in one desolate spot in the ruins of Chinatown and worshiped in full compliance with the rites of their religion. In the ashes of their temple they knelt and silently offered their prayer. Prostrate in the smoldering wreckage before them was the charred trunk of the graven image that once

he'd the altar in the temple. The fumes of fresh incense and sacred punk sticks curled skyward, and all dainties obtainable under the circumstances were spread in offering to the devil that no offense to that deity might bring a recurrence of the disaster. No detail was overlooked by the faithful Chinese, who pleaded for mercy in behalf of the 35,000 of their countrymen made homeless by the holocaust.

Mount Tacoma Extinct.

Tacoma, Wash., April 26.—The widely published report that Mount Tacoma (Rainier) has been in eruption, and the statements of Prof. Henry J. Cox, in charge of the United States bureau at Chicago, and of Dr. W. H. Holland of the Carnegie institute at Pittsburgh, to the effect that the recent activity of Mount Tacoma, near Tacoma, Wash., may have had something to do with the recent earthquake in San Francisco, calls for an emphatic denial. Mount Tacoma is an extinct volcanic peak covered with snow and ice for 7,000 feet from its summit, in many places hundreds of feet thick. It has been as dead as an Egyptian mummy for thousands of years, if geological investigations and the conclusions of scientists are reliable.

To Pass Calamity Laws.

San Francisco, April 26.—At a general executive meeting, the committee drew up a message to Governor Pardee requesting a special session of the legislature. The feature of passing a general calamity law empowering the city to circulate enough bonds for the reconstruction of San Francisco was legally explained. The opinion of all was that by all means this session should be called and that the necessary calamity laws should be passed.

MUCK RAKE OF MUSKINGUM JURY

Zanesville, April 26.—No less than five arrests, all on serious charges, some of them of a revolting nature, followed the report of the grand jury. Of these five prisoners, who were lodged in the county jail last night by Sheriff Howard F. Elliott and Deputy Sheriff James Lize, two are women—Mrs. Clara Cullins and Mrs. Lizzie Brown.

Grading Lawn.

The Meek Co. is grading the lawn above its office building, it will be made an attractive bit of ground.

HEARTS HERE ARE MADE HAPPY

Loved Ones Are Safe But Have Gone Through Thrilling Days

There is an exhibition in Burns & Gosser's window a card which gladdened the heart of Albert St. John for it brought the word that his sister, Miss Ella, had escaped the San Francisco disaster unhurt. She was not able to obtain any stationery and the message is written on the business card of Thorn and Kirkpatrick, real estate agents in whose employ she has been since she went to the coast. It is placed in the window that, thanks to the reflection of a mirror, both sides may be read by the passers by.

Students Safe.

Mrs. Tom Wheeler who has been so anxious concerning the fate of two cousins who were students at Leland Stanford has been reassured by a letter from one of them, Miss Laura Mumaw of Scottsdale, Pa., saying that both she and her brother were safe and had lost nothing. She says that they have slept under a tree for two nights, as they are still afraid of houses.

Charles Wilcox Safe.

The Wilcoxons in this city are in receipt of a letter which assures them of the safety of Charles Wilcox and family who reside in San Francisco from who they have been anxiously awaiting word since the earthquake. The following letter written by Mr. Wilcox on the morning of the disaster:

San Francisco, Cal., April 18, '06. Dear Mother—

We have just experienced the most fearful earthquake here in the history of the city. I am thankful to say that my family and self are safe. The business section of the city is in flames and no water to fight it; I am thankful we are living out here; all kinds of reports came out here of death and disaster in the down town districts. Everything came down from our shelves; jams, jellies and dishes, furniture toppled over and a general mix-up.

We are sitting out in the street now. I will not attempt to write more. Love to all, Charlie.

Coshocton Champions On Basket Ball Floor

THE COSHOCTON HIGH SCHOOL BASKET BALL TEAM—Season of 1905-06. Fallon, C.; Swihart, F.; Rodgers, F. (Capt.) Porter, G.; Denman, F.; Williams, G.; Jones, F.

The above is an excellent likeness of the aggregation of basket ball tossers, which carried the honors of the Coshocton high school during the past season. It is a well known fact that the team was by far the fastest that ever represented the local high school and there is now but one team that has a better claim to the state championship than Coshocton. That team is West High, of Cleveland, which went through the season without a defeat.

The local team got a late start in

getting into the game on account of the difficulties in getting a suitable hall in which to play their games. Finally after the holidays they secured permission to use the city hall and at once announced that they were open to all comers. Their record is one which any team might be proud of not taking into consideration, the high class of teams they went up against. The locals participated in eight games and won all except the one at Zanesville which was forfeited for good cause as every one who was unfortunate to be

in the seven games Coshocton rolled up a total of 239 points to their opponents' 99 as follows:

C. H. S., 74; Novelty A. C. 4.
C. H. S., 26; Newark High, 24.
C. H. S., 29; Granville High, 11.
C. H. S., 19; Dennison Seniors, 15.
C. H. S., 19; Zanesville High, 17.
C. H. S. vs. Zanesville High, forfeited.
C. H. S., 31; Columbus East High, 13.
C. H. S., 41; Columbus West High, 19.

Four Generations Dwell In One Neighborhood

In these days when young men are anxious to strike out for themselves and leave the shelter of the parental home it is rare that a man has the pleasure of living in close touch not only with his son and grandson but also with his great-grandson. Such a satisfaction has come however, to Mr. James Stewart of this city.

Mr. Stewart was born in Ireland on the Emerald Isle to New York in the late 40's and shortly after that time he came to Coshocton where he has lived ever since, nearly all of that time in the residence he at present occupies on the corner of Mulberry street. Just a block away lives the oldest son, James R. Stewart and with him lives the grandson and great-grandson, George F. Stewart and George F. Stewart, Jr., making the four generations all within a stone's throw of each other. All are staunch members of the Presbyterian church.

GEN. WARNER OPTIMISTIC
ON NATION'S PROSPERITY

Original Silver Leader Finds Virtue Even
In The Success of Gold.

In a recent letter from Washington, Francis B. Gessner has the following interesting item concerning Gen. A. J. Warner, father of Mrs. W. R. Pomerene of this city:

General Adoniram J. Warner, once a famous silver Democrat of Ohio, with a residence at Marietta, was in Washington this week long enough to declare that there was no further need of silver agitation. He has profited by the wonderful prosperity that followed the adoption of the gold standard and the election of Republican presidents. He contends that in 1896, prior to the great discoveries of gold, there was need for just what his free silver friends asked. According to General Warner a greater volume of money was needed then, but when the campaign of 1900 came on the supply of gold made useless the tenets of four years before. It was the desire of General Warner to put in the Kansas City platform a paragraph admitting that the necessity for free coinage has passed with the great discoveries of gold. This would not be an admission that free silver was wrong in 1896, but he contended that the situation only proved what had been claimed by the free silver men—that more money had been needed.

Bryan would not listen to any such apparent concession and told the Democratic leaders and members of the resolutions committee that if such a platform was adopted he would not be the candidate. Even if nominated he would withdraw. It seemed that Bryan was master of the situation and his demand was heeded, but the result only proved that General Warner and his friends were right.

General Warner now remarks that the country is going to be even more prosperous and that the tendency is upward and will be upward for many years to come. It is certainly cheering to Republicans that such an earnest Democrat has at last come to see the light and is honest about it. He has been a figure in Ohio affairs since the war and served three terms in congress. He was first elected in 1873 and two years later was beaten by General Dawes, father of the present member from the Marietta district. Warner beat Dawes in the Pond law campaign of 1882 and was surprised. He had one more term and quit in 1886, when J. D. Taylor carried the district. While making his home in Gainesville, Ga., General Warner retains his home in Marietta and may return later to spend his declining years. He is now 72, but declares he will keep at work many years yet. Last week he and his good wife celebrated their golden wedding anniversary and were visited by Mrs. Okey, of Cambridge, who is a daughter. Her family was with her and they joined Mr. Okey here.

GOT FORTUNE
WHILE AT TUB

Newcomerstown and Bakersville Women Get Comfortable Legacies.

She'll not have to slave her life out at the wash tub any more. That much was settled when Lawyer Lindsay handed this poor but worthy woman a check for twenty-one hundred dollars. She wasn't at home when the lawyer arrived with the big check. She was bending over somebody's wash tub and had to be sent for. Was she happy? Is the prisoner happy when the prison doors are flung open, and he walks into God's sweet sun shine a free man? Is the invalid happy when health and strength goes bounding through his veins again, and rich warm blood suffuses his cheek?

Years ago Andrew Hawk went west and married a second time. At his death sometime ago he remembered the children that he had by the first wife back in these Ohio hills. The years of struggle had been hard ones for some of them. Some of them had grown old in toil and accustomed to deprivation.

Now the pail of penury is raised and Mary Mizer will know more of the comforts of life and less of its hardships hereafter. Another sister, Mrs. Toletia Draher of Bakersville gets a like check. Here's hoping that these worthy women may live long to enjoy their unexpected fortune. —Newcomerstown Index.

Washington Letter

Washington, D. C., April 26.—(Special)—Official reports to the government indicate that while the sanitation of Havana is getting worse right along the water supply of the city is splendid. The American army left the city in the most cleanly condition it had ever known, but there has been a gradual forgetfulness of the horrors of yellow fever and other diseases that breed in unclean surroundings and American residents of Havana have made a number of appeals to the administration to force the Cuban government to live up to its promises when it accepted the Platt amendment and continued the building of sewers. There were more than 25,000 American visitors in Havana this season and they have been hurrying home before southern ports put quarantine regulations into effect and detain them. The quarantine was established a month ago, although there has been no yellow fever so far this season.

Havana has had good luck as to health conditions. Its death rate is just a trifle more than that of New York city, where the deaths average each year 20 to every thousand people. The average in Havana is 20.5 to the thousand.

Consumption causes more deaths in Havana than any other disease and Cubans are indignant at the quarantine against them, saying that it loses them a tremendous amount of business. They assert there is no good reason for it.

NO WORD OF
MISSING SISTER

Stephen Reamer Anxious
Concerning Fate of Mrs.
Harger in Frisco.

Stephen Reamer, the well known Canal Lewisville farmer, is greatly worried concerning the safety of his sister, Mrs. A. Harger who dwelt on South Sixth street, San Francisco, and of whom no word has been received. Mr. Reamer saw the item in The Age a day or two ago that a letter had been received from Mrs. Harger written the day before the earthquake. He has asked The Age to help him get some tidings of her and a message was sent last night to see if she could be found.

"She is the last sister I have left," said Mr. Reamer, "and I am exceedingly anxious to hear of her. She and her children dwelt together and as their home was in the center of the stricken district I fear the worst."

Mrs. E. L. Lybarger returned to her home in Spring Mountain yesterday.

Belling Was Premature

Dame Rumor has been busy the last week or ten days saying that a popular and charming young lady of Coshocton was soon to be wedded. In fact the busy Dame even had the date set for Wednesday night—perhaps because Wednesday is a popular day for events matrimonial.

Be that as it may, a crowd—nay, a gang—of urchins and some big enough to be called something else than urchins, gathered before the home of the young lady Wednesday evening armed with tin pans, gongs, bells and every variety of racket-making instruments. Pandemonium let loose and kept up till the young lady with more ordinary sangfroid, and seeing the whole affair, appeared on the portico.

She cried, in a remarkably calm voice, "You are all wrong. He is not engaged. The boys took them and slunk away. They are keeping their hands off me and don't propose to marry me."

WANT RECEIVER FOR
BUTLER OIL AND GAS CO.

Papers are being prepared to be filed in the court of common pleas Thursday of Friday, asking for a receiver for the Butler Oil and Gas company in which a large number of Mt. Vernon men are stockholders.

It is alleged that Judge B. Wright and Judge Frank O. Levering of this city have about \$80,000 invested in this company and that the remainder of the stockholders have failed to pay their portion of the assessment.—Mt. Vernon Banner.

Head Ache
Sometimes?

If so, it will interest you to know that it can be stopped with Dr. Miles' Anti-Pain Pills; and without any bad after-effects, and this without danger of forming a drug habit or having your stomach disarranged. They positively contain no opium, morphine, cocaine, chloral, ether or chloroform in any form. Dr. Miles' Anti-Pain Pills relieve pain, and leave only a sense of relief. The reason for this is explained by the fact that headache comes from tired, irritable, turbulent, over-taxed brain nerves. Anti-Pain Pills soothe and strengthen these nerves, thus removing the cause. They are harmless when taken as directed.

"We use Dr. Miles' Anti-Pain Pills for the cure of headache, and we think that there is nothing that will equal them. They will cure the severest spell of nervous or sick headache in a very few minutes. I am of a nervous temperament, and occasionally have spells when my nerves seem to be completely exhausted, and I tremble so I can scarcely contain myself. At these times I always take the Anti-Pain Pills, and they quiet me right away. It is remarkable what a soothing effect they have upon the nerves."

OHIO STATE'S RECORD.

The record of Ohio State university
for this year shows the largest senior
class and the largest attendance in
its history, with total registration of
2157 students—two full regiments, or
a number equal to the population of
a small town. The university is ev-
ery year filling a higher purpose in
education, and deserving stronger
support as an institution in which
the entire state has a share, and
of which it may well be proud.
In meeting the demands of such a
body of students for useful knowl-
edge, it is doing a great work.

The people of the state need only
to become better acquainted with the
State university to grow in apprecia-
tion of it. Any man or woman who
is at all interested in education will
find it time well spent to investigate
the university's work and its facili-
ties. That is, all its best friends
ask, that it be seen and be judged
by its works; and any visitor to Co-
lumbus will always be welcome there.

There is no doubt that the univer-
sity is about to enter upon new per-
iod of expansion and growth, such as
will advance it to very highest point
among the great educational institu-
tions. It deserves encouragement
and steady supporting influence.—

JUDGE SOUERS.

Here is the way the Republican
nominee for circuit judge is sized up
by the Dennison Paragraph, a leading
independent paper of his home
county:

"Judge Souers is an able attorney
and will make an excellent judge.
He is a careful and painstaking law-
yer, and gives all matters entrusted to
him the best attention and consid-
eration. He was considered well
qualified for a judgeship by the late
Governor Asa S. Bushnell, who ap-
pointed him to fill out the unexpired
term of Judge E. S. Donthitt upon
the death of the latter, and in the
short time that he occupied the
bench he displayed fine judicial abil-
ity and gave general satisfaction.

GORKY'S FAILURE.

Gorky, sizzled on our firmament a
day like a rocket and then dropped
like a stick. America, always en-
thusiastic on fads, particularly for-
eign ones, was ready to get into the
shafts of his chariot—if a chariot
has shafts—but the cloven hoof
showed through the garment of the
demigod in which long-distance adu-
lation had garbed him. The man
who had come to America to get aid
in elevating and freeing his country-
men, abandoned his wife and children
in Russia and came here with an ac-
tress, palming her off on his new
friends as his legal wife. True, she
had recently been given a million dol-
lars by an aged and adorning Jew
with which to help free Russia, and
of course Gorky's Socialistic idea of
division brought him close to her
side. American hotels ordered him
and the woman out and they are
now in obscurity and oblivion. They
might as well go home.

There is a lesson in Gorky's failure.
He has brains and power and had
the world at his feet—but a man can't
obtain the respect of even his fond-
est friend if he is not decent.

The Wolf Meetings.

In spite of storm a good sized audi-
ence attended the revival meetings
at Christian Union church last even-
ing. Evangelist Wolfe preached an
excellent sermon on "How to Build"
and sang, "Hallel to the Cross" and
other selections. Many hearts were
won and a number of people con-
fessed. Evangelist Wolfe expects to
be here Monday morning in glory. His
services are cordially invited.

COD LIVER OIL.

It almost makes you
sick to think of it, but it
isn't nearly as bad as it
used to be. The improved
method of refining it
makes it much easier to
take, and when made into
Scott's Emulsion almost
every one can take it.
Most children like it and
all children that are not
robust are benefited by it.
When the doctor says
"Take cod liver oil," he
generally means Scott's
Emulsion; ask him if he
doesn't. They know it is
more easily digested and
better than the plain oil.

MISS CROWLEY
DIES IN HOSPITAL

Well Known Coshocton Girl's
Death Comes As A Shock
To Friends

The news of Miss Mary Crowley's
death which came over the wires ear-
ly Thursday morning saddened the
hearts of many people who had
known and loved her.

The unexpectedness of the blow
made it all the harder to bear and
the sympathy of the community
goes out to the grief stricken family.

Miss Crowley was nearly twenty-
five years of age and had lived in
Coshocton all her life. She was the
daughter of Mr. and Mrs. John D.
Crowley and since the death of her
parents she and her brother Tom
have lived with their uncle Mr.
Thomas Thompson who cared for
them both with all the love and de-
votion of a father. She was a pretty
girl with a sweet, amiable disposi-
tion and ready wit all her own which
won her many friends.

She had been far from well all
winter and about eight weeks ago
she was taken to Grant hospital in
Columbus where an operation was
performed by Dr. Baldwin. It was
successful and she seemed on the
high road to health, when a heavy
cold threw her back; but she over-
came that too and was so far re-
covered that she could be taken all
over the hospital in a wheeled chair;
it was anticipated that by next week
at the latest she could be brought
home for when her brother Tom, saw
her just last Sunday she seemed al-
most well again.

The improvement lasted through
yesterday but late last evening a
telephone message to Dr. Barcroft
conveyed the word that she was
much worse. The doctor and Mr.
Crowley left for Columbus immedi-
ately reaching Columbus at two in
the morning, about two hours after
the spirit had taken its flight.

The remains will reach Coshocton
this evening and be taken immedi-
ately to the Thompson building where
the dead girl formerly lived with her
uncle and brother.

DEATH OF BELOVED
LADY AT W. LAFAYETTE

Mrs. Susanna Leightninger, the
widow of the late Hiram Leightninger
and one of the best known highly re-
spected residents of West Lafayette
passed away at the home of her
daughter, Mrs. S. A. Stowe, at seven
o'clock, Thursday morning. Death
was caused by paralysis brought on
by advanced age, she having reached
the seventy-second milestone.

Deceased is survived by two sons
and two daughters as follows:

Mrs. S. A. Stowe, of West Lafay-
ette; Mrs. Arthur Barnett, of New-
comerstown and Elmer and Marion
Leightninger, of West Lafayette.

Funeral arrangements have not
yet been completed.

Sad Death at Tiverton.

Science in Selecting
Proper Foods

People Are Unhealthy Because They
Do Not Eat The Right Food.

In these days of adulterated foods
and food products such a food as is
known to be pure and wholesome is
indeed welcome. We have heard of
many breakfast foods and cereal prod-
ucts—some broadly advertised as whole
products, others as cure-alls for every
disease known to man. No doubt they
are all good and possessed of some
merit, but most of them are manu-
factured with some foreign sweetening
agent to make them palatable. Among
all the breakfast and cereal foods of-
fered the public to-day, we believe we
are warranted in saying that Malta-
Vita is the only food that is simply
and wholly pure grain product and
nothing else, except a little salt. Malta-
Vita as it comes to you from the fac-
tory is all of the wheat. It has been
thoroughly cleaned, steamed to gela-
tinize the starch, then added to it is
barley malt extract made from selected
barley—thus, acting upon the starch,
turns it into maltose or malt sugar,
pronounced by physicians and food ex-
perts the finest, purest, most healthful
sweetening agent known. Then the
grain of wheat is rolled out flat into a
thin wafer, flake and baked in the
oven. It comes to you fresh and pure
and sweet—absolutely nothing but a
grain product prepared in the cleanest
and most wholesome way and turned
into the most delicious whole wheat
food that can be found. Malta-Vita is
sold by all grocers. Now 10 cents.

Case Continued.

The case of Amore vs. Patis, over
the price of a cow, came up for
hearing in Squire Wimmer's court
today and on account of the absence

Take Time
To Eat

Hurry at Meals Will Send You to
C. E. Anderson's for Mi-o-na
Stomach Tablets.

"Eat in haste and repent at leis-
ure" is an old saying brought up to
date.

Hurry at breakfast means a bad
start for the day, and if you hurry
also at the other meals, you will soon
suffer with loss of appetite, sleepless-
ness, nervousness, furred tongue,
specks before the eyes, headaches,
back-aches, weakness and debility, in-
digestion, or other ills that are
caused by an abused stomach.

Here in Coshocton, as in thousands
of other places over the country, hur-
ry at meals increases the druggist's
business. Not a day passes that we
do not sell several packages of Mi-o-
na stomach tablets to those who have
ruined their digestion by not taking time
to eat.

C. E. Anderson has seen so many
cures made by Mi-o-na that he sells
it under an absolute guarantee that
it will be successful in every case
where it is used in accordance with
directions, that is, one tablet before
each meal, and will refund the mon-
ey to anyone whom it does not help.
A large box of Mi-o-na tablets costs
but 50 cents if it cures; nothing if it
fails.

WARSAW EXPECTS A BIG
TIME NEXT SATURDAY

Warsaw, April 26—(Special)—Sat-
urday is to be Warsaw's big day.
Carloads of samples of machinery
from the Whitney works at Spring-
field have arrived and more is said
to be coming and a big exhibition
will be held on the streets—in fact
under a tent at the corner of Main
and Bridge streets—all day Saturday.
Hustling Tom Burnside and the
local men are leaving nothing un-
done to make the day a big one.
There will be on exhibition binders,
mowers, harrows, farm wagons,

stoves, sewing machines, etc., in
fact everything that the Farmers' Co-
operative Co. makes, and there will
be special exhibitions of sewing and
cooking. Free luncheon will be
served at noon, cooked on ranges
made by the company. Farmers from
all over the county have been invited
and Warsaw expects to show them a
good time. The band will play.
Architect Stafford of the company
will be here today or tomorrow and
look over the site and plant here
and make estimates on the building
and remodeling.

Class of 1908 Entertained.

The following members of the junior class of the Coshocton high school were entertained Wednesday evening by Miss Marie Bordenkircher at her home on South Lawn avenue: Ruth Coe, Helen Temple, Nellie Hay, Leila Miller, Cornelia Lamberson, Annie Houston, Blanch Overholt, Dotie Tallmadge, Clara Robertson, Agnes Evans, Laura Denzer, Irma Goff, Myrtle Swalley, Bessie Fleming, Flavia Shipp, Anna McCabe, Alta Tway, Audrey Barcroft, Fielding Magness, Jesse Ayres, John Rodebaver, Harry Board, Glenn Marshall, Harry Wells, Byron Cummings, Fay Hall, Harry Stevenson, Fred Myers, Milo Stuckum.

Games were played and delicious refreshments were served.

At Grace Church.

Tonight William McCormick, the Riverside Whistler, comes for an evening of mirth, mystery and mimicry at Grace church. Mr. McCormick comes heralded as a pantomime artist of recognized ability, his feats of magic are said to be marvelous and among his imitations of things inanimate are those of a little dog accidentally hurt, fireworks, Bluebottle fly and mosquito, electric street car, scissors grinding, the startling and stopping of a mill and a dozen or more other things of equally amusing character.

Surprise at Conesville.

Mr. and Mrs. J. G. Smiles of Conesville were pleasantly surprised by the following group of friends Monday evening: Mr. and Mrs. Clyde Wheeler, Mr. and Mrs. F. L. Lacy, Miss Norma Crawford, Miss Pearl Crawford, Miss Mollie Giffen, Miss Laura Phillips, Miss Josie Wheeler, Miss Frances Ford, Miss Kate Glessner, Miss Manetti Bliggs, John McShane, M. S. Marquand. The guests brought a substantial supper which was served during the evening.

The Easter Star.

The Eastern Star held an excellent meeting Tuesday evening in the Masonic hall. The attendance was extremely gratifying and one new member was initiated. The next meeting will be held in a fortnight.

W. C. T. U. Meeting.

The Woman's Christian Temperance Union will meet this afternoon with Mrs. Glass of South Fifth street. Mrs. Belle Stevenson will be the leader of the meeting and the subject assigned for the afternoon is "Peace and Arbitration."

Mrs. James Better.

It will be good news to all of the friends of Mrs. E. W. James to learn that the operation which she underwent recently at Grant hospital, Columbus, was successful and that while she is still very weak her condition is improved. Mrs. Arthur Hoffman is with her mother just now and it is possible that before returning to her home in New York she may stop for a brief glimpse of her Coshocton friends.

OAK GROVE TELLS VIRTUES OF GRANGE

Oak Grove, April 26—One of the great conveniences that has fallen to the lot of the American farmer in late years is the delivery of rural mail. Probably this rural mail system has done more towards breaking up the monotony and isolation of farm life than any other thing; and it is a fact, not commonly known, that the grange was the greatest factor in securing this great rural blessing.

The agitation for rural delivery began in the early nineties, soon after the system of village delivery came into general prominence. At first the project of trying to deliver mail through the rural districts was regarded as a visionary scheme; a practical impossibility. About this time the state granges of Patrons of Husbandry took up the subject and brought strong pressure to bear upon representatives in congress from agricultural communities. Under these incentives an appropriation of \$10,000 was made by congress to establish trial routes but Postmaster General Wilson S. Bissell declined to try the experiment with this small sum.

The State and National Granges again brought their influence into play and congress doubled its appropriation, making it \$20,000. Postmaster General Bissell still considered the amount too small for the purpose. By this time the farmers in general and the people interested in rural development were aroused and the Grange, in greater earnest than ever before, petitioned congress. Congress responded by again doubling its appropriation making \$40,000 available for the purpose. Hon. William L. Wilson was by this time, Postmaster General and under his authorization 44 routes were selected in widely different localities in 27 states.

These experimental routes were set going in the autumn and winter of 1896 and the summer of 1897. Some of these routes were in the foothills of the Alleghenies about Charleston, W. Va., other on the prairies of Kansas and Nebraska; some among the sugar plantations of Louisiana others among the snow and ice of Grand Isle in Lake Champlain and on the wind-swept plains of Minnesota; some were in the populous communities in the eastern states, and some in the thinly peopled districts of the west.

As we know the rural delivery system was a success, and today hundreds of thousands of farmers receive daily mail. Receive it through the work of the Grange which spent years in its efforts to get the system started.

My dear fellow farmer, every time you receive a delivery of rural mail, every time you deposit a letter in a rural mail box you owe a debt of gratitude to the Grange. The Grange may rightly be termed "the parent of rural mail delivery." Consider this fact and then ask yourself if the Grange has accomplished anything. Don't forget the Pomona Grange meeting at Plainfield Grange Hall, Thursday May 3rd. First session at 10 a. m.

Robert Henderson

Robert Henderson was born October 7, 1833, and died April 17, 1906, aged 72 years, 6 months and 10 days. He was married to Kathryn Graham Feb. 21, 1867. To this union were born five children, Jennie, Mrs. C. E. Darr, Ella, William J. and George Albert.

Mr. Henderson united with the Episcopal church early in life. Some years afterward he brought his membership to Methodist Episcopal church at Clark where he has a host of friends both in the church and out of it. When he changed his residence from the farm to Roscoe he transferred his membership to the Roscoe Methodist Episcopal church. He remained a consistent member of the same until the Lord said, "Well done good and faithful servant, enter thou into the joy of thy Lord."

Besides his immediate family he is survived by one brother and one sister, both of whom are well advanced in years.

Mr. Henderson was a devoted husband, a loving father, a kind neighbor, a good citizen, and a faithful christian, loyal to the church and its every interest. wk it dlyit

A DASHING AUTOMOBILE STORY

A Motor-Car Divorce

By LOUISE CLOSSER HALE

A BREEZY and deliciously humorous motor-car romance—the fact that the hero and heroine are man and wife makes it no less a romance.

Mrs. Ward, a believer in the theory of the ten-year marriage contracts advanced by George Meredith, goes with her indulgent husband on an automobile tour through France and Italy for the purpose of securing a divorce on the grounds of "incompatibility of temper," which, in reality, do not exist. It takes another woman, several accidents and the automobile to bring Mrs. Ward to her proper senses.

FEDERAL ARMY ISSUING FOOD

Frisco Citizens' Committee Relieved
of a Gigantic Task.

ALL NOW TURN TO BUSINESS

Municipal Government Establishes Scale of Prices For Important Commodities—Feeling Against State Militia Still Exists—Streetcars and Electric Lights Promised.

San Francisco, April 26.—The United States army now has full charge of the gigantic task of issuing food. This resulted from a meeting of the executive committee. With this most important duty delegated to the army, the citizens of San Francisco have turned their attention to the resumption of business. The municipal government has established a scale of prices for important commodities, food, clothing, etc., which is below that existing under normal conditions. Warning was given dealers that any effort to charge exorbitant prices would result in action by the authorities.

GENERAL A. W. GREELY.

His Soldiers Issue Food to Three Hundred Thousand Refugees.

Streetcars are promised for today and electric lights will be turned on in the evening. In front of every house there is a small improvised furnace or cookstove whereon the food is prepared.

The water problem is still a serious one. Hereafter and until the system has been entirely inspected, and repaired, there is to be but one water "tap" for each block throughout the city.

The state militia has not been withdrawn, notwithstanding the requests from the mayor and from the citizens' executive committee of fifty. Governor Pardee has not yet met in conference with the executive committee nor with the heads of the military and civil authorities at Fort Mason. It is not known what he will do with regard to the state militia, but it may be said that the citizens of San Francisco would experience a feeling of relief if they were removed at once.

Two thousand people are being fed daily at St. Mary's cathedral on Van Ness avenue, a relief station organized by Rev. Father Hannigan and headed by him as chairman of the committee. This is perhaps the most systematically conducted station in the city. Thousands of people can be served in three hours. Distribution is made according to the number in each family. The committee has a complete directory of the fifty square blocks in the district and so perfect is the system that there is no duplicating and no wrangling.

State Insurance Commissioner Wolfe announced that nearly all the large insurance companies would be able to make satisfactory adjustments of the losses caused by the San Francisco fire. Commissioner Wolfe says he hopes the authorities of San Francisco will now grant the hitherto unanswered appeal of the fire insurance companies for an auxiliary salt water system on Twin Peaks, one of the highest points on the range of the hills back of San Francisco. He suggests that wide streets be laid in rebuilding the city.

Hundred Firemen Missing.

San Francisco, April 26.—The losses of the fire department are considerable compared to the great damage sustained in other departments of the municipality. As far as known there have been but three deaths and one injured. The apparatus of the department, while damaged, is still intact. Nineteen companies, however, have been put out of commission and many of them will be disbanded. At a meeting of the fire commissioners, it was reported by Chief Dougherty that, excluding the dead and injured, there are about 100 members of the department missing. It is believed, however, that these men have been separated from their companies and will rejoin them as quickly as they can.

Road Increases Capital Stock.

Cleveland, April 26.—At a meeting of the directors of the Lorain and West Virginia railroad held in this city it was decided to increase the capital stock of the road from \$10,000 to \$2,000,000. W. B. Whiting, secretary of the road, in a statement, declared that Joseph H. Ramsey will control the road.

Train Dynamited.

Wilkesbarre, Pa., April 26.—A freight train on the Lehigh Valley railroad was dynamited near Yatesville, a few miles from here. The engine and three cars were thrown down an embankment. The engineer and firemen were slightly injured.

FRANKLIN IS TAKEN CARE OF

Given Three More Games
Away From Home—
League News.

At a meeting of the managers and schedule committee of the County League held Wednesday night, the schedule, as far as games with Franklin are concerned, was rearranged to the entire satisfaction of that aggregation. The original schedule gave Franklin ten games at home and four abroad and the team kicked on having more than half at home.

It was arranged to bring the June 9 game between Franklin and the Buckeyes at Riverside park and the same with June 16, Schlaf vs Franklin and May 19 Beaches vs Franklin. This will make double headers at Riverside park on each of the above dates for single games are already scheduled for each Saturday of the season.

Official Umpires.

The following umpires have been secured to officiate at the games to be played at Riverside park: For the Buckeyes, Dan Lewis Schlafs, George Henderson Beaches, C. F. Prince. Each of the three named parties are well known as efficient handlers of the indicator. F. C. Rodshaver will umpire up at Warsaw. Lewisville and Franklin have not yet announced the names of their officials.

Will Get the Games.

The following places have already made arrangements to receive the results of the games in the county leagues and post the same: Park View billiard room; Prince's, McManus and Kinney's cafes.

The results from the out-of-town diamonds will be telephoned by the official scorers to the Park View and other places in the city desiring the scores can get them from the billiard room.

Tickets Ready.

Admission tickets for Riverside park will be printed in three different colors for each of the three Coshocton teams.

The Price.

Admission to games in this city and probably in the villages will be fifteen cents except for holidays and other days when double headers will be played at Riverside, when admission will be twenty-five cents.

Jay the Charioteer.

The contract for hauling the different Coshocton teams to out-of-town games was let to Jay Abbott by the managers of the local teams Wednesday night.

Foxy Quiller.

Both the Beaches and Schlafs have ordered new suits which are expected here about the latter part of next week.

The Beaches Line-Up.

Manager Hildebrandt announces the following line-up for the Beaches in the opener with the Canal Lewisville outfit at Riverside park, Saturday afternoon: Tish, short stop; Basset, second base; Davis, third base; Ehrlich, pitcher; Todd, first base; Caton, catcher; N. Dixon, left old; S. Dixon, center old; Akroyd, right field.

PRESBYTERIANS ELECT OFFICERS

Good Men And True Chosen To Guide Temporal Affairs

The Presbyterian church held its annual congregational meeting Wednesday and elected the following officers:

Elders, George Ritchey, R. M. Mills, J. L. Clarke, Herbert Denman and M. D. Custer.

Deacons for three years, W. R. Gault and M. W. McNaughton.

Deacon for two years, L. K. Robertson.

Deacon for one year, Robert Dummermuth.

John Hall, F. S. Townsend and J. A. Compton were re-elected trustees and Theodore Agnew re-elected treasurer; the report which he gave of the finances last year was eminently satisfactory. It was also moved and seconded and carried unanimously that in the future the treasurer be paid a salary of \$100 a year.

To get rid of the bad breath, the sickening discharges from the nose and throat, the loss of smell and taste, etc., such ingredients as Thymol, Wild Indigo, Oil of Eucalyptus, etc., must be used. Dr. Shoop's Catarrh Cure depends upon such healing agents as these in combination with other antiseptic specifics. These are then incorporated into a soft soothing and healing imported Jelly secured in Europe. When applied to diseased mucous membranes it acts like magic, clearing up these revolting diseases promptly and with a marked sensation of comfort. Sold by C. E. Anderson.

Give the System What it Needs

Quit torturing it with stimulants, cathartics and other irritants. Get a remedy that will digest the food and convert it into good rich, red blood, thus building up the depleted system and giving the stomach a chance to rest and heal. There is only one remedy that will do this and that is Dr. Jackson's Digestive and Liver Powders.

Lost All Hope

James McGlashan, ex-treasurer of Muskingum County, Zanesville, Ohio, says: "I suffered intensely from indigestion and kidney trouble. Had pains around the heart, short of breath, sour stomach, bloating, nothing would agree with me, my kidneys bothered me all the time. I kept going down right along. I tried a number of doctors and remedies, but got no relief until I began taking DR. JACKSON'S DIGESTIVE AND LIVER POWDERS.

From the first dose I got relief and began to improve, my pains left, and appetite improved and I could eat whatever I wanted without suffering. They cured me, they will cure you."

On sale by all druggists, 50 doses, 50 cts.; 125 doses, \$1.00. Address A. L. Jackson, M. D., President of the Medical Association of America, 1111 Broadway, New York, N. Y.
